**CLUB MEMBERS**

Listed inside the Newsletter this month is a table of all clubs and their home club membership as at 30th April this year compared, with last year. Clubs that do not have any home club members in either year will not appear in the list.

Some clubs are up, and some are down, whilst nationally, most states and territories had an overall decrease in numbers (ACT, NSW, QLD, SA, TAS & NT), whilst only two states had a small increase (VIC & WA). Overall nationally, we showed a decrease in membership from last year with our total membership down by 146 members, or -0.42% from the same time last year.

VIC had the biggest increase again this year, up 1.34% or 70 members. WA, the only other state with an increase was up by 1.01% or 41 members.

There was no real change in the numbers for ACT (-0.67% or down 6 member), NSW (-0.52% or down 71 members) and SA (-0.15% or down 3 members).

Sadly, slightly bigger decreases in QLD (-1.89% or down 142 members), TAS (-2.26% or down 19 members) and NT (-11.11% or down 16 members).

Disappointingly, there was also a fairly large decrease in the membership for the ABF Youth club again this year. There was a decrease in numbers from 252 down to 231, or -8.33% or 21 members. This followed a drop last year of -8.33% or 21 members.

**MEMBER INFORMATION**

Just a reminder, you must provide your members names, address details and day and month of birth for your home club members. The year is optional, but does help us identify possible duplicates.

**DUPLICATES**

Clubs are still duplicating existing members in the system. Just a reminder, you must check prior to adding any new members if they already exist in the system before you go and add them.

It is not the members fault if they do not tell you that they had a previous ABF number. It is your fault for not checking prior to duplicating the existing member.

**PLEASE ALWAYS CHECK**

**OFFICE UNATTENDED**

The office will be unattended from Wednesday 3rd to Tuesday 9th May inclusive. I will have the laptop with me and action any non urgent emails.
