Masterpoint Breakdown

Inside the Newsletter this month is a list of all our clubs with any home club members as at 31st May 2019. Each club has their home club members grouped into various masterpoint ranges, then expressed as a percentage of their total home club members. The groups have been divided into the following masterpoint groups:

0-20
20-50
50-100
100-300
300-1000
1000+

Nationally, including the ABF Youth Club there were 34,870 (down 235 from last year) registered members. They fell into the following groups:

0-20	14,991	43%
20-50	5,392	15%
50-100	4,220	12%
100-300	5,467	16%
300-1000	3,395	10%
1000+	1,405	4%

Hence you can compare this national average, which is changed very little over the last three years, against the breakdown for your club.

In the 0-20 range, of the 14,991 members in that group (down 255 from last year), there are 1,765 (1,874 last year) members with 0.00 masterpoints.

Also for the same group there are now 6 clubs with their total membership (100%) falling into this group. One up on the last two years. They are again club 2-095 Helane (with 3 members), again 2-275 Warialda (with 11 members), again 2-279 Watermark (with 3 members), again 2-

285 Thornleigh (with 12 members), again 4-581 Boonah (with 15 members) and club 5-725 Port Pirie (with 8 members).

For the 20-50 range, numbers are up 4 from last year. For the 50-100 range, numbers are also up by 4. For the 100-300, numbers are down by 22, and for the 300-1000 numbers are up by 16. Finally, for the 1000+ range, there was an increase of 18 members over last year.

Monthly Deadline

Don't forget the monthly deadline for submitting your awards is 4pm AEST on the 1st of the month.

Very simple. 4pm on the 1st.

As I look at the list of recently uploaded batches in early June, the vast majority, and possibly all of them, relate to May. Unfortunately, they have all missed the monthly deadline, and will not actually be processed until the June update.

Probably not that critical most months, but the end of quarter and especially the end of year updates are very important.

Lots of clubs use these quarterly and annual updates to determine their internal list of various club achievements. The ABF use these deadlines to restrict entry to various novice and restricted categories in their events. They also use them to determine their McCutcheon awards. On the occasion when the ABF increase their fees, you are only disadvantaging yourselves by submitting your awards late, as your awards will miss the old rates when they are processed, but instead will be charged at the higher new rates.

So *PLEASE* submit your awards on time!!
